Dear Friend of HAABSE:

The purpose of this letter is to invite you to become a vendor for the Houston Area Alliance of Black School Educators' (HAABSE) Summer Conference. This year's theme is: Connect to Excellence: Equipping, Empowering, and Engaging Today's Educators. HAABSE's primary mission is to enhance the education of all students and to exercise leadership in providing valuable professional services and strategies to institutions, agencies, and communities engaged in creating an environment in which students, particularly black students, can achieve academic excellence.

The Reconnect 4 Excellence Conference will be held July 6-7, 2023, at Moody Gardens in Galveston, Texas. This conference is an immersive professional development event that provides cutting-edge opportunities for educators to gain knowledge and skills in instruction, leadership, social-emotional learning, and school culture. The Connect to Excellence is designed for superintendents, principals, higher education administrators, school and college board members, education human resource professionals, deans, professors, educational department heads, administrative/educational support staff, teachers, parents, curriculum specialist, students, clergy, job seekers, and any individual or organization concerned about the education of our state's children and adult learners.

We would be honored if you would join HAABSE as a partner in support of this professional development opportunity. **Vendors can set up for \$250 on July 6th and 7th.** Vendors can purchase a booth at the conference on the link below:
