ABOUT HAABSE

The Houston Area Alliance of Black School Educators (HAABSE), an affiliate of both the Texas Alliance of Black School Educators (TABSE) and the National Alliance of Black School Educators (NABSE), was organized in May of 1986. HAABSE's primary goal is to enhance the education of all students. HAABSE is particularly sensitive to the needs and interests of the Black community. Using the HAABSE network, members can share and provide many valuable professional services and intervention strategies focused on improving the educational environment of Black youth and educators in our community.

MISSION

The Houston Area Alliance of Black School Educators' primary mission is to enhance the education of all students and to exercise leadership in providing valuable professional services and strategies to institutions, agencies, and communities engaged in creating an environment in which students, particularly black students, can achieve academic excellence.
